WHERE YOUR GROWTH STARTS

Practical Finance & Payment Solutions for Small UK Businesses

At **Funding4urbusiness**, we provide accessible, practical financial solutions tailored specifically for small and micro-businesses in the UK. We understand the challenges faced by entrepreneurs in today's competitive landscape — from securing funding to keeping up with the shift toward cashless payments.

That's why we offer a streamlined platform that combines **fast-access small business loans** with **modern Dojo payment systems**, helping your business secure working capital while staying ahead in how you get paid.

Our mission is simple: to give you the tools to **grow, compete, and succeed** — without the long delays, red tape, or outdated banking requirements.

We're focused on **practicality, speed, and value** — the things that matter when you're running a business day to day.

OUR CORE SERVICES

Built for Real Businesses. Powered by Simplicity.

We offer more than just financial products — we deliver the tools, tech, and support that help you run and grow your business with confidence. Whether you're just getting started or scaling your operations, these core services are designed with **your daily business needs in mind**.

Fast & Flexible Small Business Loans

Get the working capital you need — without the paperwork headaches or long waits.

Our business loans are designed specifically for **UK-based small and micro-businesses**, offering short-term funding that adapts to your needs. Whether you need £1,000 to cover a gap in cash flow or £10,000+ to upgrade equipment or buy bulk stock, we've got your back.

- **Quick online application** – no complex documents or long forms.
- **Soft credit search only** – no impact on your credit score.
- **Decision in hours, not weeks**
- **Clear repayment terms** – based on your card sales, not fixed monthly bills.
- **No APR or compounding interest** – just a fixed, transparent fee.

Use your funds for what matters most: stock, staffing, refurbishment, marketing, repairs — you decide.

Smart Dojo Payment Machines

Modern, reliable card machines that help you get paid quicker and look more professional.

We proudly offer **Dojo's cutting-edge payment terminals**, trusted by over 100,000 UK businesses. These are not your average card machines — they're sleek, fast, and built for today's customer expectations.

Dojo's cutting-edge payment terminals

- Plug-and-play setup – no engineer needed.
- Mobile & countertop options – choose what suits your trade.
4G + Wi-Fi connection – never lose a sale again
Next-day payouts – cash in your account fast.
- Real-time insights – track your performance anytime
Tap-to-pay iPhone option – perfect for mobile traders, freelancers & events.

Whether you're on the go or on the high street, Dojo keeps you paid and in control.

Business Support That Goes Beyond the Basics

You don't just need funding and machines – you need the right guidance and support to keep moving forward.

That's why we offer **value-added support services**, designed to help you make smarter decisions and avoid common business pitfalls. Our team stays close to the local business scene – so we know what you're up against and how to help.

- **Free digital resources & guides** – finance tips, marketing strategies, and planning tools.
- **1-on-1 consultations** – tailored advice from people who understand small business life.
- **Community connections** – introductions to local trade associations and growth networks.
- **Ongoing relationship** – repeat funding access as your business grows.

We're not just here to lend and leave – we're here to back your success, every step of the way.

At Funding4urbusiness, we don't just fund your business – we **empower it** with smart, responsible financing that grows with you.

Our Mission

Our mission is to empower small businesses by simplifying access to funding. We connect entrepreneurs with flexible, fast, and reliable financial solutions tailored to their unique needs so they can focus on building, growing, and thriving.

Our Focus

At Funding4urbusiness, we understand that smaller entrepreneurs are the backbone of the UK economy but often the most overlooked when it comes to traditional financing. That's why we've built our services around you the independent retailer, the startup founder, the trades person, and the local business owner with ambition.

HOW IT WORKS

Simple, Fast, and Built Around Your Business
At **Funding4urbusiness.com**, we specialise in providing **flexible soft business loans** specifically designed for small and medium-sized enterprises across the UK.

✓ Our approach is simple:

Your loan is based on your daily turnover, which means repayments stay manageable and directly aligned with your actual business activity — not rigid monthly figures.

Here's how it works in 3 quick steps:

- **Apply Online in Minutes**
Our application process is straightforward and digital. Submit basic business info and your recent card turnover — no mountains of paperwork required.
- **Fast Approval & Setup**
Once your documents are received, you'll typically get a decision within a few hours. Funding is released quickly, and if you're also choosing a Dojo machine, we'll get it shipped and set up right away.
- **Repay as You Earn**
Your repayments flex with your daily income — making it easier to manage your cash flow, stay in control, and focus on growth.

Finance That Works the Way Your Business Does

Whether you need funds for stock, equipment, staffing, or simply a working capital cushion, **Funding4urbusiness** offers a transparent, supportive lending experience with:

- ✓ No hidden fees
- ✓ No complicated terms
- ✓ Just practical finance — when and how you need it.

**Simple Loans &
Payment Solutions for
